

PUPIL PREMIUM 2017/18

The Pupil Premium for 2017/18 is allocated to Local Authorities and schools with pupils on roll in January 2017 that are known to have been eligible for free school meals (FSM) at any time during the last six years. Each of these pupils attracts additional funding. Schools have the freedom to spend the Premium, which is additional to the underlying school budget, in a way they think will best support the raising of attainment for the most vulnerable pupils.

PRINCIPLES

- We ensure that high quality teaching and learning opportunities meet the needs of all pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil Premium funding is allocated on a needs analysis which identifies priority groups or individuals. Limited funding and resources mean that not all children receiving Pupil Premium funding will be in receipt of interventions at all times. Some pupils receive short term, high impact interventions, others receive support in wider contexts e.g. ensuring equality of opportunity to develop a sense of 'belonging'.
- All our work through the pupil premium will be aimed at accelerating progress, especially be in Reading, Writing and Maths.

PROVISION INCLUDES;

- A newly resourced intervention room including an interactive whiteboard, 6 laptops, Numicon and additional resources for Maths, award winning novels and other literacy based resources
- Group work set by ability for English and Maths with an experienced teacher or trained HLTA
- Financial support for revision or subject guidelines and technology materials
- Financial assistance to purchase school uniform
- Financial support for educational visits and after school clubs
- A supervised social club at lunchtime to support children who have specific social and emotional needs
- A breakfast club every morning
